FROM: Mitch Sears, Interim General Manager
Jim Parks, Director of Customer Care and Marketing

SUBJECT: SACOG Grant Update

DATE: February 13, 2020

REQUESTED ACTION

Informational item. No action requested.

BACKGROUND

VCE joined with the cities of Davis and Woodland and Yolo County to apply for a \$2.9 million grant from the Sacramento Council of Governments (SACOG). The purpose of the grant is to install electric vehicle charging infrastructure in Yolo County. The proposal was successful, and the grant was approved by the SACOG board of directors on December 20, 2018. The project is titled Electrify Yolo.

Since that time the Electrify Yolo team, made up of VCE member jurisdiction staff, has worked to facilitate a fund swap between SACOG and the City of Davis, and to further develop the project.

UPDATE

The fund swap was approved by SACOG in late December and the Davis city council approved the agreement at the end of January. Now that funding is in place, the Electrify Yolo team is working to implement the project. Staff will be providing a Board presentation at the February 13th meeting that will provide an update on those activities.
